## Customer focused

From the initial meeting with Ingrid, she displayed confidence and in-depth knowledge of the local market. Ingrid's communication skills are outstanding and she kept us promptly advised every step of the way. Ingrid showed a great deal of integrity and honesty throughout the sales process for which we can't thank her enough. I would recommend Ingrid's services to anyone buying or selling property in Berowra.

# 'Take a Walk on the Wildside ...' BROOKLYN PARK MANGROVE BOARDWALK

**Looking for ways to de-stress during these troubling times?**

A stroll along the Brooklyn Park Mangrove Boardwalk might be just the 'out' you need! Access is suitable for most and the river views as you look out across 'the gut' to Long Island are second to none!

Brooklyn Park is on Brooklyn Road, just up from the marina. It sits on the Hawkesbury River coast in an area that is fringed with mangrove marshes. A boardwalk, suitable for prams and wheelchairs, has been constructed from the park out over the marsh for visitors to enjoy.

The boardwalk begins in the park, just near the war memorial, where you will find three brass plaques mounted on concrete plinths, in front of a commemorative plaque mounted on a large sandstone boulder and a flag pole.

At low tide the mud flats come alive with tiny crabs which scurry in and out of holes in search of food.

As hightide approaches the crabs scuttle back into their holes to escape being eaten by fish and birds which live in the mangroves. Further along the many oyster leases, that are prevalent in the area, can be seen from the lookout platform.

The walk finishes in the area around the parks bushy barbecue facilities and picnic areas. You can bring a picnic lunch with you or stop on your way at Brooklyn village and grab your supplies from there.

Young children can bring a ball to kick on the large grassed area and there is a skateboard ramp next to the oval for the older kids to burn off some energy after lunch.

The best access to the area is by car or train.

Brooklyn Park is approximately 20 minutes walk from Hawkesbury River train station.

You could even make a great weekend escape out of it by hiring a houseboat from the marina and spending a few peaceful days on the river.

## IT'S THE PERFECT TIME . . .

Can you believe that February is already here?

We're back into the rhythm of our 'normal' lives (whatever that looks like these days): kids are back at school, people are back at work (albeit many are doing this from home), local organisations have restarted their meetings, sports clubs have kicked off their seasons, and the wheels of life are turning once more. These day-to-day activities, which are put on hold in January while we all take a well-earned breather, give us a road map for how we spend our time, and these daily routines offer us a sense of surety and security.

**Now that we're getting back in the swing it's worth doing a quick reassessment of where we are headed in 2021.** And if you're not happy with where you're headed, then now is the perfect time to make some changes. *Little tweaks can make all the difference to your final destination.*

2020 challenged us to rethink what is really important and this year we can be confident that we have within us the courage and the resilience to cope with whatever changes are thrown our way in 2021. <https://hornsbychamber.com.au>

## SNIP THE STRAPS

These days, wearing a face mask is the responsible thing to do. Unfortunately that means single-use face masks are the newest forms of litter on streets, beaches, and oceans. This is bad for so many reasons, but one of the worst is that the littered face masks can seriously hurt animals. So make sure that before disposing of your single-use mask, you **SNIP THE STRAPS**

## KEAN LAUNCH TO CLIMATE CHANGE GROUP FOR 2021

**Berowra Climate Change Action Group** was founded last year after the devastating drought and fires wreaked havoc across our country.

This group is dedicated to finding ways in which we can all tackle climate change from our own homes, by making small and not so small adjustments to the way we live.

During its first meeting there was some interest raised by participants which included community gardens, solar and water tank incentives, waste and plastic recycling and the need for wider community education. Unfortunately, the COVID crisis curbed any following meetings until now. Berowra Climate Change Action Group is now holding a re-launch supported by guest speaker **Matt Kean**, Minister for Hornsby, Minister for Energy & Environment and local councillor **Nathan Tilbury**.

*If, like us, you are concerned about the current environmental crisis and would like to know how we can make simple and more complex changes to our daily lives to make a difference, please join us for our re-launch.*

The re-launch will be held on **Thursday 4th February 2021 from 6-7.30pm at Warrina Street Oval Clubhouse, Warrina Street Berowra.**

## Government Grants And Concessions ARE YOU ELIGIBLE?

As we all know, property prices locally have dramatically increased over the last five years and the government is constantly being pushed to provide assistance to first home buyers to help them get into the property market.

**Combined with stimulus measures introduced due to the pandemic, there are many different opportunities for buyers to secure a property or to renovate their existing dwelling with the assistance of government grants.** The most helpful and applicable grant to buyers in our area is the **HomeBuilder** program which was introduced part way through 2020.

However, on 29 November 2020, the **Government announced an extension to the HomeBuilder program** to 31 March 2021 with an increase to the property price cap for new build contracts in New South Wales to \$950,000. *Contracts need to be signed between 1 January 2021 and 31 March 2021, inclusive.*

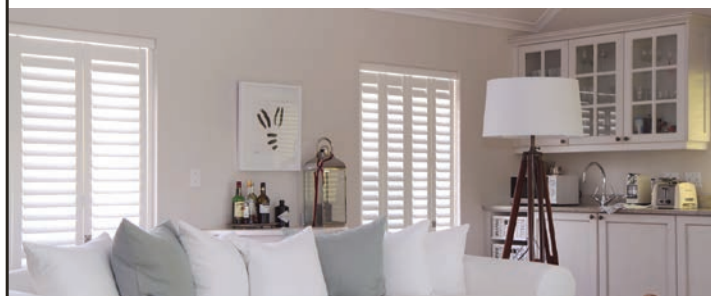

**HomeBuilder** complements Revenue NSW's existing **First Home Owner's Grant (New Home) Scheme** and **First Home Buyers Assistance Scheme**.

As the requirements and eligibility are constantly changing, we would recommend completing your own research. For more information visit <https://www.revenue.nsw.gov.au/grants-schemes>

## NEED FOR COMMUNITY SPACE IN HORNSBY TOWN CENTRE

Residents of the Hornsby Shire have been waiting for a Community Centre and Performance space since the School of Arts was destroyed in the 1957 bushfires. **Hornsby Council** has released its **2020 Community & Cultural Facilities draft plan** for exhibition and comment. The current plan makes provision for comprehensive community space within the Hornsby Town Centre. **The time for provision is 2035.**

There has never been a greater need for community facilities in the centre of Hornsby than now, as we witness more home unit and town house developments. Multipurpose space providing for social gatherings, festivals, meetings for people of all ages as well as quality performance space is urgently needed.

Former Production Director and General Manager of the *Hornsby Gang Show*, **Penny Becchio** commented, "I have been working and fighting, in equal measure, with Hornsby Council for the provision of community and performance space in the Town Centre for over 20 years. It is pleasing to see that it has finally made it to the planning stage."

"There are many, many groups which will be overjoyed to hear this news. *They will not be happy to hear they might not get it until 2035,*" said Penny.. Shows such as the Gang Show, SYMT, Hornsby Musical Society don't have anywhere suitable to perform within their Hornsby home.

Hornsby Shire residents and business owners can view the draft plan on the Council's website and submit comments online:

## A BIG WELCOME BACK to Bush Tele readers for 2021

from the community bank staff and directors at BENDIGO BEROWRA

As we drew 2020 to a close and (for the most part) gladly put it behind us, many in the community were hopeful of a better start to 2021. However, we were all reminded of the "new normal" we now face as we followed events on the Northern Beaches over Christmas and into New Year.

Fortunately, it looks like our health systems and community co-operation have allowed us to get on top of things – but we need to stay alert to the risks and manage those.

**But life goes on** – and the team at **Bendigo Berowra** are refreshed from their respective holidays and ready to continue meeting the financial needs of our community.

**New Year is a great time to take a fresh look at things** – why not pop in to see **Josie and the team** and obtain a **free insurance quote** on car or home, and enjoy a **free coffee at CoHo or Café Laurella** on us? Or see if that new car is within your reach? Or make that home purchase?

*We would be only too happy to sit down and consider your needs.*

## New Year's Gardening Resolutions

Are you a New Year's goal setter?

Every year do you decide to get fit? Move more? Spend more time giving back to others? Meet new people in the community?

Maybe you're ready to discover Easy Care Gardening?

**Easy Care Gardening** is an organisation that is made of volunteers willing to garden for others that can no longer manage. Our clients are typically elderly and their yard has simply become beyond them now, but they really want to stay living at home independently. Enter our gardening volunteers, who arrive like clockwork, working in teams to help get the garden back on track. It's smiles all round as the volunteers make an enormous difference to these clients' lives, but also have a great time getting to know each other and enjoying the outdoors. And yes, our volunteers do get fitter, stronger and healthier too...gardening is very good for you in body, spirit and mind.

**TIP:** During summer weeds can quickly take hold. You can use organic herbicides to control them, hand weed them, and even pour boiling water on some that may be lurking in paving. Mow annual weeds down before they set seed if they're in your lawn (removing them with the catcher) and **MULCH MULCH MULCH.**

# LOCAL LIONS CLUBS COMBINE TO RAISE FUNDS FOR "WHEELS FOR RYAN" PROJECT

RYAN KIM UPDATE

Ryan Kim is a young boy who wants to go places.

The problem is, he was unable to. That is, until recently. Ryan, who has featured recently in The Bush Tele, suffers from Duchenne Muscular Dystrophy, a progressive life limiting disease which leads to progressive difficulty with walking and general mobility. Ryan was diagnosed at four and is now ten years of age, and is now fully reliant on his wheelchair.

While he enjoys the freedom of movement while at school, the problem was that Ryan is forced to leave his electric wheelchair at school as it would not fit into his family's car. Touched by Ryan's personality and story, the local community came together to create 'Wheels for Ryan', aimed solely at purchasing a suitable vehicle for the family – a family of six. At a cost of almost \$75,900, community assistance and concerned parents and friends raised an incredible \$55,000. Needing the additional \$21,000 to make the "Wheels for Ryan" project a reality, the Lions Club of Hornsby was contacted to see if they could assist. This soon became a Lions Zone Project, where a group of clubs from the local area come together and pool their resources to support a particular cause. With support from the Australian Lions Foundation, who provided \$15,000 towards the project, as well as Lions clubs from within and outside the local zone – the Lions Clubs of Hornsby, Berowra, Ku-Ring-Gai, Parramatta and Blacktown Ponds - the final amount of \$21,000 was raised and donated to the cause.

On Sunday 13 December 2020, with assistance from Mercedes of Castle Hill, Ryan and his family were presented with a brand new Mercedes family van, complete with rear chairlift. The vehicle will now make life so much easier for the whole family and Ryan can now go places and has the freedom that he so dearly wanted and needed.

# Thank you Hornsby Community!

Local Member for Hornsby Matt Kean has a message for the community:

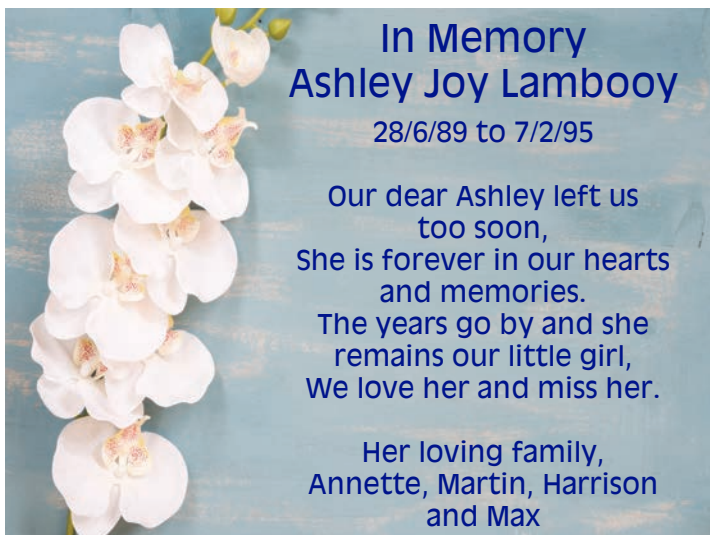

"As I have travelled around Hornsby, I have been impressed with the level of support from our community and local business to ensure we continue to be COVID safe. I know this has been particularly tough for small business as they are forced to constantly adapt to each new level of restriction. Many in our community had Christmas travel plans cancelled and family celebrations altered. *This has made what is usually a festive time of year extremely difficult for some.* I want to thank everyone who has done the right thing and continues to work together to ensure our community **stops the spread.**

**If you have even the mildest symptoms please get tested; it is free for all.**

For those who can, please continue to wear a mask in indoor settings or at times when you can't social distance from others.

For updates on restrictions and for testing locations please visit [www.nsw.gov.au/covid-19](http://www.nsw.gov.au/covid-19)

## STRONGER COMMUNITIES PROGRAMME

### ROUND 6 APPLICATIONS NOW OPEN

Round 6 of the Stronger Communities Grants Programme is now open for Expressions of Interest.

The programme funds small capital projects that aim to improve local community participation and contribute to vibrant communities.

In the past, the Stronger Communities Program has helped to fund and bring many to life great projects in our community. These include the renovation and repurposing of a building to provide a new day service to support maturing clients at Inala in Cherrybrook, the purchasing of a new van for the Hills Community Op Shop, the renovation of Studio ARTES' performance space in Hornsby and many more.

This round of the program will support Australia's economic recovery from the COVID-19 pandemic. For this special round, the grant funding for each project will be up to 100 per cent of eligible project costs, except for local councils where grant funding will be up to 50 per cent of eligible project costs.

Grants will be available between \$2,500 and \$20,000 for successful applications.

Further details on eligibility criteria and how to apply are available at <https://www.business.gov.au/grants-and-programs/stronger-communities-programme>

To be considered, please submit an expression of interest (EOI) to my office before **5pm Thursday 25 February 2021**. EOI forms are available at [www.julianleeser.com.au/scp6](http://www.julianleeser.com.au/scp6)

The expressions of interest will go before a community panel and the best projects will then be invited to formally apply for funding. Examples of eligible projects include fit out, alterations and/or extensions of community spaces, upgrades of sporting facilities and fields such as new scoreboards, or the purchase of musical instruments, sports equipment and uniforms that remain the property of the organisation.

In the past we have delivered projects with scouting groups, Lifeline Asquith, Streetwork, churches, school P&Cs and RFS brigades, among others.

If your organisation has a vision for a project in our community, I would love to hear from you.

**Julian Leeser MP, Federal Member for Berowra**

## School is back

... and perhaps

stories from the holidays are not all that your kids are sharing.

Statistics indicate that more than 1 in 5 primary school students may have head lice.

Head lice are small wingless insects. They live on the human scalp and feed on blood. Lice move easily from head to head. Sharing combs, hair ties and hats also can result in lice spreading.

Female lice lay their eggs (known as nits) close to the scalp, where they remain firmly stuck to the base of the hair shaft until they hatch a week or so later. Headlice can cause severe itching and this can lead to scratching and skin infections.

**Fortunately there are simple, safe and effective strategies to eliminate and prevent headlice.** Various shampoos, lotions, sprays and conditioners are available. Some contain insecticides and others are essential oils based. It is important to use any treatment correctly according to their instructions. A fine-tooth comb to help facilitate the removal of the sticky nits is also essential.

**Our pharmacists can recommend evidence-based products and provide advice on the effective treatment of head lice.**

## from the Mayor's Desk

There are many joys that come from living in the Bushland Shire, but also a number of hazards. These are particularly significant at this time of year, when the storms are most violent and the risk of bushfires is at its peak. We saw this firsthand last summer, when a number of storms caused damage throughout the region and the flames from bushfires were right at our Shire's borders. It is inevitable that both of these naturally occurring events will strike again, if not this summer than at some point in the future, so it's vital that we all take the necessary steps to prepare. There are a number of ways to prepare for storms, including maintaining your yard, securing items that might be blown around and preparing an emergency kit. The best way to be safe from bushfires is to prepare a bushfire survival plan, so you and all of your family know exactly what to do. One of the simplest ways to reduce your risk from both storms and bushfires is to make sure your gutters are clear of fallen leaves and other debris. I strongly urge you to visit [ses.nsw.gov.au](https://ses.nsw.gov.au) and [rfs.nsw.gov.au](https://rfs.nsw.gov.au) to find out more about how you can be prepared this summer.

## The Rose by Moran

The Rose by Moran will be welcoming their new residents when the luxury Village opens its doors in late February.

The highly sought-after village in Wahroonga comprises 33 two and three-bedroom premium residences set amongst the gardens of one of the area's best-known heritage mansions.

With its beautiful formal rooms, the stately mansion provides over 2,500 sqm of communal spaces including a library, music room, dining room, therapy rooms, beauty salon, club room and bar.

Sally Taylor, who is The Rose by Moran project director within Provectus Care, one of Australia's leading name in premium aged care, said the refurbished mansion was both a functional and sentimental drawcard for the Village.

*"Our residents have the opportunity to continue to utilise and enjoy large, grand spaces without the maintenance and ongoing work required in keeping a large family home."*

The rear of the mansion opens out to the brand-new apartments which offer residents a premium retirement living option with level access, high ceilings, outdoor living areas, fireplaces, Miele appliances and an abundance of storage. All residents have secure parking and 24-hour emergency service is provided. Apartments are still available and these are offered under standard retirement village terms with monthly fees and a departure fee payable when you leave.

# OUTSTANDING CAREGIVER AWARD FOR HOME INSTEAD'S AMANDA DUGGAN

After a turbulent 2020 for all, Amanda Duggan has won the Home Instead Hornsby and Hills local CAREGiver of the Year Award.

Mandy, as she is known by, has been a CAREGiver at Home Instead Hornsby and Hills for over five years after a recommendation from her sister-in-law. Over that time, Mandy was a recipient of CAREGiver of the Quarter for outstanding care and has made a significant contribution to the care and welfare of her clients, some of whom she has had continuous care of over this period. Mandy's extensive care has allowed them to remain living in their own homes, enjoying a good quality of life.

"I enjoy engaging in conversations with my older clients and bringing some cheer to their world," says Mandy.

Mandy also contributes to the Dementia community as she often supports people living with dementia and their families. She enjoys the sense of belonging to her local community that her role enables her to do.

Mandy has been described by her colleagues as having a "bright spirited personality" and as a CAREGiver who is "actively changing the face of ageing in the local community."

## COME PLAY TABLE TENNIS COMPETITION WITH THE SUNS TTA

Popular Sydney Upper North Shore (SUNS) TT Club (ex BerowraTTClub), is still playing at the Thornleigh Brickpit stadium, and is calling for players, who think they've got it, to join Suns for the Autumn Competition starting March 2021.

We have the best playing facility in the District and all our home matches are played on Friday nights. There are 6 divisions, from Premier down to division 5 and grading will be applied.

SUNS is now in its 29<sup>th</sup> year and would like to especially invite players who haven't experienced our Thornleigh set up with 18 top quality SAN EI tables and superb lighting.

On the Friday nights we concentrate on the development of table tennis as an Olympic sport and try to give priority to competition play. Table Tennis is a gender equality sport, ideal for improving alertness and hand/eye co-ordination as well as social connectivity.

Membership fees remain only \$15 p/a and playing fees are \$5 per session, Registration for 2 competitions is approx. \$100 annually.

# Dance Enrolments 2021

## PHYSIE – ALL TYPES OF DANCE ROLLED INTO ONE!

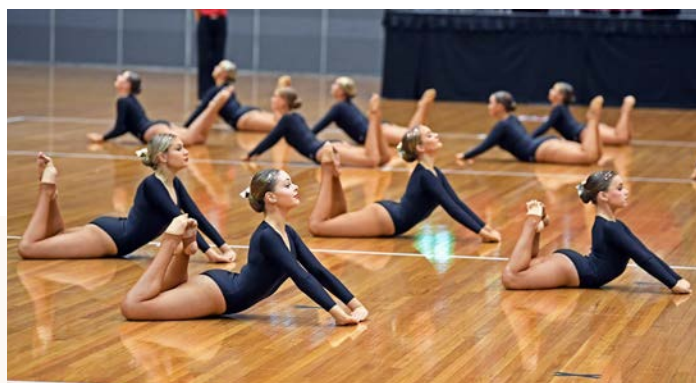

Physie is the perfect combination of movements designed to increase strength, fitness and flexibility. The benefits for you and/or your daughter(s) are increased co-ordination, brain development and confidence.

Fun, upbeat, pop music is the soundtrack to a sport that fuses dance styles such as jazz, ballet, hip hop, contemporary, aerobic dance and even yoga! Our innovative choreography changes annually and is designed for maximum variety and fun.

Designed with Australian families in mind, Berowra Physie run by dedicated teachers who provide affordable classes for all ages and abilities from pre-schoolers to ladies.

**Berowra Physie is a registered provider for both Active and Creative Kids – that's \$300 per child annually towards class fees. All new members are entitled to 2 FREE TRIAL LESSONS – so why not come along and give it a try.**

For more information please contact Ashlie via email – [ashliephysie@gmail.com](mailto:ashliephysie@gmail.com)

## BEROWRA PHYSIE

## SEE NEW ARRIVALS AND EXPLORE THE WESTERN PLAINS ZOO!

See new arrivals and spend time with the family exploring **Taronga Western Plains Zoo** and see 'OBI' the Zebra foal and his mum Kioni. Two Spider Monkey babies are growing and developing well and are best viewed from the deck near the Zoo Café & Bar.

"It's the perfect spot to enjoy a coffee or a meal and watch the primates play before heading in to explore the Zoo," said **Steve Hinks**, Director, Taronga Western Plains Zoo.

Once inside the Zoo, be sure to take a moment at the Giraffe exhibit to spot the two calves born in the spring.

"A great way to explore the zoo is by bike or electric cart available for hire, but guests can also bring their own bikes," said Steve. "Alternatively guests can walk or drive around the Zoo circuit."

**Taronga Western Plains Zoo** has three accommodation options including the luxurious Zoofari Lodge, the self-contained Savannah Cabins and adventure camping experience at Billabong Camp.

Taronga Western Plains Zoo is open from 8:30am – 5pm during the summer school holidays. Tickets to the Zoo must be pre-purchased online at [www.taronga.org.au/dubbo](http://www.taronga.org.au/dubbo)

**ZOO TICKET GIVEAWAY**  
 Tell us in 25 words or less why you would like a free family ticket to visit the Taronga Western Plains Zoo. Email: [info@thebushtele.com.au](mailto:info@thebushtele.com.au)  
 Closing date 15 February 2021.

## ALWAYS IN ACTION! *More than just dance...*

This is one of the *tag lines* being advertised at **Action Dance Academy** and after the year we have had, this can't be *more true*.

**It's undeniable to say that 2020 will be a year that will go down in the history books.**

*However, let us not remember it for the bad but for the good!*

Yes, lock down and restrictions have changed the way in which we are allowed to connect with our community, but they have also given us the chance to reflect on the importance of connection and community, which builds resilience and a sense of belonging among our children.

Action Dance Academy is more than just dance: it provides a second home for children and a place where they can make lifelong friends, foster confidence and share a mutual love of physical expression and movement.

Action Dance was so thrilled that they were able to mark the end of their dance year with a modified concert in celebration of all that the children had achieved throughout a rocky year.

All students took to the stage in a special filming production which highlighted the joy of dance.

Director of Action Dance, **Jodie Williams** said, "Being able to give the students the gift of performing on a stage alongside their friends and seeing the smiles on their faces is a moment I won't quickly forget."

"COVID-19 may have stopped a few things in its tracks last year, but Action Dance Academy is always "in action" providing more than just dance for your family!"

## 5 Benefits of Tap Dancing

While tap dancing is terrific to watch, it's even more thrilling to do!  
*And it's never too late to learn.*

Ruby Boukabou has tapped around the world and is now teaching in her boutique studio in Berowra, and online.

Ruby points out five benefits of this dynamic art form:

1. It's cardiovascular conditioning, burning 200-600 calories per hour;
2. Builds balance and core control, improving posture and toning muscles;
3. Improves flexibility, co-ordination, musicality and grace;
4. Enhances cognitive abilities;
5. Is an instant stress-relief and reliable source of joy!.

All ages. No tap shoes initially required.

## CONGRATULATIONS TO THE STUDENTS OF BELCASTRO DANCE!

The teachers of the Belcastro School of Dance want to congratulate their students for putting on a fantastic concert in December 2020.

*You all wore your costumes beautifully and worked hard to make your performances stand out on stage.*

We would also like to thank our students' families for supporting us throughout 2020. Despite a very challenging year, you made our return to dance classes and our end of year concert possible.

The teachers and students of Belcastro Dance look forward to inviting you back into our audience again for our 2021 concert.

Belcastro Dance offers classes for tiny tots to adults in Ballet, Jazz, Tap, Hip Hop, Lyrical, Acro, and Barre Attack fitness classes.

The dance school has 48 years of experience in the local area and offer classes in Berowra, Asquith, and Pennant Hills.

## ARCADIA CRESCENT FOLK CELEBRATE!

The residents of Arcadia Crescent Berowra have waited for decades for an upgrade to their *little enclave*.

After making numerous requests to Hornsby Council and with some help from local councillor Nathan Tilbury, they now have cause for celebration. New kerb & guttering, improved drainage, landscaping & road reseal has been completed by Council, and was officially opened with a ribbon cutting ceremony and street party on 17th December 2021. HOORAY!

At Auto One Waitara, we're as *passionate about cars as you are.*

If it's something you need in your shed, we have it in our store!
